

Helping You Finance Your Dreams

At Equal Mortgages, we offer our clients sound expert advice in an effort to make the mortgage negotiation process as stress free as possible. Plus, the service you receive from an Equal Mortgage broker doesn't end after you purchase a home. Through refinancing and renewing, we work hard to match your unique needs with the most appropriate mortgage at the best possible rate.

Refinancing

There are many good reasons to consider refinancing:

- Lowering your monthly payment to improve cash flow
- Consolidating or paying off unwanted debt
- Financing improvements to your home
- Purchasing a rental or recreational property
- Accessing existing equity for major purchases or investments

Renewals

Instead of signing your mortgage renewal form and sending it back to your lending institution, use a broker to renew and:

- Save significant amounts of money over the life of your mortgage
- Take advantage of a rate that is guaranteed for 120 days, as opposed to the 30 day guarantee offered by banks
- Ensure lenders compete for your business

Our Services Include:

- Residential & commercial mortgages
- New purchases
- Refinances & renewals
- Debt consolidation
- Home equity lines of credit
- Rental & vacation properties
- Self employment
